Hopewell Christian Fellowship Daily Devotional

Day 10 - Sunday, January 11, 2009

Name: Ed Clemens

Theme: Favor to Prosper

Scripture: Psalms 68:19

Key Verse: Psalms 68:19 Blessed be the Lord, Who daily loads us with benefits, the God of our salvation! (NKJV)

Meditation:

Webster's says that prosper means to be successful or fortunate especially in financial respects; to thrive, flourish. God wants this for us, but; He promises us even more! The Bible says in: 3 John Verse 2: "Beloved, I pray that you prosper in all things and be in good health, just as your soul prospers." Now this is the key isn't it? In Christ our soul prospers. We have an inner joy that can't be stolen from us; and since our soul is joyful, our temporary setbacks just become growing experiences for us. God wants us to prosper to help others to prosper, not to take our gifts and keep them for ourselves. He actually wants to load benefits on others, through us!

Prayer:

Lord I thank you today for your word that comes to rest in us. I ask you today to fill me with your benefits, all that you have for me, so I can be your vessel of salvation and benefits to others. Lord, like the old hymn says I also pray; "Open the wells of grace and salvation; pour the rich streams deep into my heart." Amen.
