Hopewell Christian Fellowship Daily Devotional

Day 12 January 13, 2009

Name : Janet Bittner

Theme: Seed, the Word of God

Scripture: Luke 8 :4-15 and John 12:24

Key Verses:

Luke 8:11 (New International Version)

"This is the meaning of the parable: The seed is the word of God.

John 12:24 (New International Version)

I tell you the truth, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds

Meditation:

For a while the Lord kept showing me pomegranates. They are a fruit with lots of seeds. God instructed that it be hung from the hem of the garment of the high priest Aaron. I would bathe with pomegranate gel or anoint myself with pomegranate oil and at the same time pray for an increase in the "seed" which is in Luke 8:11 says the seed is the word of God. The number 9 means fullness, fruitfulness, the number of the fruit of the spirit. I believe the Lord is speaking that 2009 will be a year for the seed which is in us to be bearing fruit as we press into Him. Let us pray during these 21 days that the seed will come to maturity within us. Also pray for the harvest that many will be coming to Christ, the seeds in many lives will be watered and will mature.

Prayer: I thank you for the seed "word of God" in our own lives that will become mature and will be coming forth. Thank you that during this time our flesh will die and the spirit will become stronger. Lord, I pray for our children that are not yet walking with you and for those we have shared the gospel with. We pray, we declare that the seed that is dormant will be watered and will flourish and will come to life. AMEN
